

PRESS RELEASE

28 May 2009

ECOTEC Research and Consulting's housing division has been restructured and has recruited new staff. Danny Friedman now heads up the team. James Beale (who has housing strategy, enabling and development experience at various local authorities, Servite Houses and as a freelance consultant), Jeff Bishop (previously at Barratt East London, Fairview, various local authorities and a freelance consultant) and James Donagh (formerly at DTZ, Meridienpure and Amtek) have joined as senior and principal consultants.
